

SNAG Minutes Date: Spring 24

People being too rough at lunch time/play time

We are meant to be a family, when we are playing we need to be more careful. If we hurt someone by accident we need to help them and say sorry, not just carry on playing. And if it gets too rough say stop or tell on them. Tell a grown up or someone older in school

Toilet monitors are not doing their job properly

This needs to stop. Being a monitor is a responsible job and you will lose your job if you can't do it properly. New monitors are:
Lily and Liv, John and George

Lunch time monitors are acting like they are the teachers and they aren't following the rules.

We talked about the rules and how important it is to follow them and be a good example. If you don't do your job properly others will tell on you. We will keep an eye on this this term.

Who is allowed to be off their seat in the hall?

Only monitors should be off their seats in the hall. They take away the plates, get drinks etc. There has to be a special reason for people to get off their seats—like desperate for the toilet, getting up to get your lunch. Remember this. If you shout on your table, or get up and down off your seat you could get time on the wall.

Has anyone got any ideas for menu meals to add to our menus. Something you would like to see on the menu.

What about: Hunters chicken, soup and mini breadbuns with butter on, cottage pie, shepherds pie, belly pork and hoisin sauce, noodles hash browns,

Is it time to change the shed monitors?

Yes. New monitors are Seth , Toby and Florence after the February holiday.

Remember that toilets before and after lunch

We will choose people to make sure people try for the toilet and wash their hands. If they don't want to go that is ok though. Everyone has to wash their hands after playtime
